iCONN Systems Appoints Rockford Controls

Manufacturer of Connectors and Cable Assemblies expands market coverage

LOMBARD, IL - February 1, 2008 - iCONN Systems, LLC today announced the appointment of Rockford Controls as it's sales representative for Indiana, Ohio, Kentucky, West Virginia and Western Pennsylvania. Rockford Controls will be responsible for the sale and support of iCONN's interconnect and value added products throughout the areas.

Kerry Nelson, V.P. of Sales & Marketing said, "iCONN is pleased to have Rockford Controls join our sales team. Our products are a good synergistic fit with Rockford's other principals and that is what we are looking for to grow and expand our business.

"iCONN is a responsive manufacturer with an engineered solutions approach which broadens our product offering and expands the markets we serve, commented Joe Blodgett, President of Rockford Controls."

About iCONN Systems, LLC

iCONN Systems is a manufacturer of connectors, cable assemblies and value added turnkey products with facilities in North America and Southeast Asia serving global markets. Our management team has extensive connector/cable assembly experience, in excess of 70 years, to the benefit of our customers.
